Hi Jedd-

I received the summons and wanted to let you know that I do have one district case in Springfield scheduled that day, but, honestly, most of the time they don't go (esp. since this is the first date for trial I have received a summons for). I did one of the drug submissions in the Springfield case and Jim Hanchett analyzed 2 submissions, so it may also be possible for him to testify for me, if necessary. I'm going to email the ADA in Springfield and ask if she thinks it will actually go to trial and inform her of your case in Pittsfield, and that it is a drug and gun case (priority???) Thanks.

Hi Sonja,

Just giving you a heads up...this case is set for trial in the jury of six session in Pittsfield on 6/23/11. Reference number is [REDACTED]. I will be sending a summons soon so I hope that date is good for you.

Thanks!
